Colin Russ is a leading, independent commercial mediator. He is a Top Ranked Mediator in Band 1 of the Chambers UK Guide 2024 and is a Top Tier Hall of Fame Mediator in the Legal 500 Guide 2024.

Colin has also been voted the winner of **Dispute Resolution Mediator of the Year** in England at the **Leaders in Law Global Awards 2024**.

Originally qualified as a lawyer, Colin practiced as a commercial litigation lawyer for over 20 years, ultimately as Head of Litigation at the Birmingham office of global law firm DLA Piper. Over the last 24 years Colin has built CDR into a thriving, independent commercial mediation practice in the UK. His clients include many of the UK's leading law firms and he has considerable expertise in high value multi-party mediations, involving complex multi-issue disputes. He has completed **over 1800 mediations** to date.

Colin has mediated disputes across a broad range of subjects and has developed particular expertise in relation to disputes arising out of:

- Defective Cladding Claims
- Insolvency Issues
- Construction Disputes
- Professional Negligence
- Commercial Contracts

Colin David Russ  
Commercial Mediator

Colin is known for being one of the most technology-embracing mediators in the UK. He launched CDR Remote at the start of the COVID pandemic and this continues to be a popular option alongside in-person mediations.

This pioneering service enabled Colin to deliver effective mediation remotely using a secure video conferencing platform. Proving to be hugely popular with both law firms and their clients, even after in-person mediators were allowed again, Colin continues to run many of his mediations online each year.

Colin's ability to embrace technology doesn't just stop at online mediations, he also has his availability calendar in real-time on his website. This enables clients to check if Colin is available and send a booking request via the website. Colin is also completely transparent about his fees - clearly listing his rates on his website and CV. Even though Colin has offered these additional services for many years, and they work well for both Colin and his clients, he remains one of only a small handful of mediators to do so.

Highly focused on the quality of the mediation process and to ensure the mediation has the maximum chance of success, Colin guarantees not to accept another mediation appointment the day before or day after an existing mediation commitment. This ring-fenced approach to bookings ensures full preparation ahead of the mediation and allows time to be available the next day, should the mediation overrun.

Please see overleaf for Colin's mediation fees.

**"Colin is an exceptional mediator, arguably the best."**
